### 課程簡介

The main focus of the course, Introduction to Western Literature II, is on bible stories, including the Old Testament and New Testament. This course is expected to realize the core objectives of our department: basic English abilities strengthened, English learning potentials developed, and also academic research launched.

Literary works that echo the bible missions are to be introduced, including diverse genres such as epic, poetry, short stories, drama, etc. Les Miserable is an example.

In a word, the study of bible stories is intended to broaden/deepen students' reading, and advance students' language ability.
