課程簡介

Advanced English Listening Lab III is an elective course for seniors who would like to continue improving their listening skills. It builds on the foundation that the student gains through successful completion of Advanced English Listening Lab I and II. The focus is on authentic English as used in academic and professional contexts.

This course is designed for English majors to develop their English listening skills for successful academic studies as well as for their satisfactory job performance. By the end of this course students will demonstrate knowledge and understanding of

1. specific academic and professional vocabulary
2. key elements in a variety of text types
3. key elements in lectures and discussions
4. appropriate strategies for effective listening.

In addition, to help with student listening skills for TOEIC, the instructor will give students exercise on listening tests in the class to have them familiar with TOEIC test format.
