課程簡介

This course is designed to reinforce both students' listening and reading abilities. The goal is to sharpen their academic abilities by helping them learn English more effectively. Listening in this course is offered to train students to understand description of photographs, question-response, short conversation, and short talk. Readings in this course are designed to familiarize students with important reading skills and vocabulary which will enable them to read more effectively. In addition to two hours of in-class instruction, students are required to complete online listening and reading practice.
