課程簡介與目標

Like the first semester of this course, the development of English presentation and discussion skills will be stressed through intensive practice in the class. The topics like business proposals and academic presentations are brought in this semester. Through lectures and hands-on practice, students will recognize both business proposals and academic presentations as persuasive genres. Classroom activities will include important aspects of presentation organization and delivery. These concepts will be reinforced through group discussion and presentation.

課程大綱

The goal of this course is to improve the confidence and skills of a student as a presenter through intensive practice. The following is the basic principle applied in the class: (a) speaking and discussing practice through small group presentation, (b) developing the critical skills by listening and responding to presentations by other groups, (c) starting the semester with a brief overview of empirical research in business or empirical research in business or academic field, (d) understanding the relationship the work done by different authors in a specific field, (e) discussing the question left unanswered by previous presenters.
