課程簡介與目標

The course is intended for sophomore students who have some familiarity with English, but who, first, wish to enhance their fluency in conversational situations, and who, second, wish to learn English presentation skill. The wide range of presentation and discussion activities are designed to provide intensive practice.

課程大綱

The topics of discussion and presentation involve a wide range of real-life settings and situations. In other words, each activity in the class revolves around a practical theme, and contains the following aspects: (a) arouse the interest of each student in the theme or topic, and encourage them to participate in the activity by raising questions or different opinions. (b) provide guided practice in using many strategies suggested. (c) build their confidence in communicative situation.

基本能力或先修課程

The course is designed for English sophomore students and those who have similar backgrounds.

課程與系所基本素養及核心能力之關連
