## Introduction

This course is designed to give students the basic knowledge of labor law. With the implementation of this course to enable students to understand the structure of the current labor laws in our country and foster the concept of the labor related laws. On the other hand, by adopting the events on the news, and court judgments the students can immersive themselves into the cases and have a better understanding of the law and regulation. This is also to build up the basic law knowledge before they graduate.

The teaching approaches of this course include designated reading books, PowerPoint and hand outs. To enhance students' impression and enjoy the learning, debate, asking question, test question, and legal drama prepared by the course director will all take place during the whole course.
