Introduction
<p>The purpose of the course is allowing students to experience the spirits of Japanese culture through practical practices via tea ceremony, Ikebana, Japanese Kimono dressing and daily etiquette, and to learn about Japanese customs and sociality during practical practices. The instructor will teach tea ceremony, Ikebana and the use of terms of respect in Japanese language, allowing students to gain insights into Japanese culture via practical situations.</p> <p>In addition, by analyzing Japanese culture, social patterns, industries and values, the course provides students with reference experience to evaluate and reflect if one is ready to assume a career in Japanese language related industry.</p>

Outline
<p>This course is a practical practice class. The students learn how Japanese express their intention through Ikebana while learning the spirit and the beauty of Japanese flower arranging art. Students also study Japanese tea ceremony and the use of terms of respect, which will help students to understand the role and mission of Japanese tea house and the history of Japanese Sadou, thus understand the social function of Sadou that the Japanese meets friends via tea via Sadou. The learning of Sadou will enhance the use of terms of respect, and the basic execution and the flow of Sadou.</p>

Prerequisite
<p>(1) must be equipped with Japanese language ability of a sophomore;</p> <p>(2) this is a practical practice course. The tea ceremony is carried out in kneeling position. Please select the course with your own discretion.</p> <p>(3) this course involves field study, visitation and internship. All students are required to attend, except for special reasons that are granted in advance by the instructor, or it is deemed absence.</p>
