Introduction

The course aims to train and improve research, discussion and presentation abilities of the students. It is hoping that students can find the direction of their research in terms of reading periodicals, research papers and theses.

Outline

The students need to do the presentation after having read research papers and theses. For those who are not doing the presentation that week need to raise questions and join in the discussion.

Prerequisite

The students who take this course need to have high-intermediate level of English capability, and have to complete the first semester course.
