## Introduction

This course is designed to prepare graduate students to write research papers on literary topics, guide them through the research process, and sharpen their writing skills in the academic context.

## Outline

After taking this course, students are expected to be familiarized with the organization and structure of a research paper, the process of conducting literary research, and writing skills such as quoting, summarizing and critiquing literary works and criticism, composing proposals and abstracts, and writing with clarity and style.

## Prerequisite

具備良好的英文能力
