Introduction

*Instruction goal/core abilities
1. Four basic language skills of listening, speaking, reading, and writing. (B)
2. Career/academic related language and interpretive abilities. (A)
3. Foreign culture appreciation. (C)

Students may re-combine and promote their skills of oral speaking and listening by this curriculum. And it also emphasizes on learning functional lexical and grammatical items. In addition, it develops quickly for everyday words in dialogs and situations. Moreover, it enhances the reading comprehension for contexts of articles. Next step, it will help students to express effectively their personal viewpoints by writing. (B)

By this curriculum, students will further extend in their English application abilities in academic or career, and it also helps students to take each item of specialized licenses or promote their competitive abilities in work. (A)

This curriculum's characteristic is international communication primarily, not limited to any one country, region, or culture, instead, the ideas are all about famous festival, cultures, sightseeing from all over the world. All of them are easy let students to connect with the world, and not have barrier to development students' international views. (C)
