Introduction
The English Graduate Colloquium is a weekly seminar series, which provides a forum for first year graduate students to share papers they read. The program covers a diverse range of subjects, reflecting the interdisciplinary nature of current research being undertaken in the School and in the field. Papers and panel presentations are to be followed by lively discussion. Our aim is to assist graduate students establish critical thinking and understanding of theoretical discussions of their research interests.

Outline
Course participants are required to present 2-3 reflections on papers including written reports on the papers of their choice.

Prerequisite
Advanced four English language skills
