Introduction
<p>English Reading and Writing I is the first course in the four-semester English Reading and Writing course sequence. It is an intermediate level course designed to help students apply their language skills through intensive reading and writing practice.</p> <p>Students are exposed to different types of reading passages that aim to engage them intellectually and broaden their vocabularies. Also, a writing section that emphasizes development of productive skills is integrated to familiarize students with the basic concepts of academic writing and guide them through the process of writing.</p> <p>Many of the reading-related activities will be done using software available in our computerized language learning laboratories. Using this software, we will conduct weekly assessments of the student's progress in reading.</p> <p>Through the weekly assessments, the students will demonstrate</p> <ol style="list-style-type: none"> <li>1.
