Introduction

The course is to combine the application of current issue topics and cultural and personal interests to allow course participants to freely choose their area of interests to present their thoughts and ideas in a carefree environment/setting while the course instructor provides input and assistance when necessary. The purposes of the course include: (a) to investigate difficulties and needs of English learning, oral in specific, of English majors; (b) to investigate difficulties of English teaching, oral in specific, to English majors; (c) to investigate the effectiveness of the use of Natural Approach to teach English to English majors. The significance of the course includes: (a) to provide course participants with opportunities to pick up/acquire English oral skills in a natural way; (b) to provide students with additional assistance in their ENGLISH oral skills learning and to improve their learning achievement; (c) to provide English majors with opportunities to have hands-on experience in using English and for them to learn to use oral English in real-life situations.

Outline

(1) The reinforcement of daily-life use lexical items. (2) The reinforcement of daily-life use phrases. (3) The reinforcement of daily-life use oral skills. (4) The reinforcement of oral presentation skills. (5) The reinforcement of oral discussion skills. (6) The reinforcement of oral reasoning skills. (7) The cultivation of the concept of global citizens through presenting and discussing current hot issues.

Prerequisite

Intermediate level of speaking and listening skills
