Introduction
This course aims at introducing the theory and its practice and development of Content-Based Instruction especially in EFL context. Models of Content and Language Integrated Learning (CLIL) in foreign language programs, curriculum and for various proficiency levels will be addressed. In addition, planning a CLIL lesson or series or lesson on line is to be expected at the end of the course. Ideally, after the course, students can attend the TKT test and receive a TKT certificate for better employment opportunity.

Outline
<ul style="list-style-type: none">* CBI theory: Definition and overview of content-based second language instruction* Knowledge of CLIL and principles of CLIL.* Criteria for designing a course: lesson preparation, lesson delivery, & assessment* Introduction of a course building platform: Clarity Course Builder* Building a CLIL course on line through the use of Clarity Course Builder

Prerequisite
good English ability and skills
