Introduction

This is the second half of a two-semester course. Following what we have done in the first semester, in this semester, we will focus on comprehending exposition and argumentation as well as practicing summary skills. It is hoping that at the end of the semester, stuents will be able to comprehend exposition and argumentation efficiently. Besides, they will be able to summarize what they read.

Outline

The overall course will cover four topics:

Topic 1: Exposition

Topic 2: Argumentation

Topic 3: Retell what we read

Topic 4: Summary skills
