Introduction
The practicum is an integral component of the CTE program. It engages the student in practice and provides opportunities to apply field learning to the classroom situation. To develop and provide CTE students with quality professional teaching and training in secondary education.

Outline
To provide students the opportunity to acquire practice knowledge, skills, values, and attitudes in working with junior high students.
To provide students with educational opportunities to apply foundation and concentration knowledge, skills, values, and ethics to practice.
To provide students with a bridge between practice realities and classroom learning.
To offer students the opportunity to integrate and assimilate knowledge and theory with teaching field experience, and build a foundation for their own professional identity.

Prerequisite
CTE student, Foundational course in education
