Time / Place	(四)34 / H545	Language	English

Introduction

This course is designed to help students enhance their reading and writing abilities. Students are expected to improve their reading ability by reading various texts, such as the texts in the book and supplementary reading material, by which students also can build their knowledge of vocabulary and grammar. In addition, the teaching activities engage students in writing paragraphs and then in writing some short essays. The required writing assignments will be highly associated with the topic discussed in class or students' daily lives.
