| Introduction |
|---|
| This is a task-based composition course. Students are taught how to generate ideas, produce correct and meaningful sentences and paragraphs with different functions. They will learn how to carry out a coherent writing task, from the brainstorming process to final draft. Besides teaching basic to intermediate English writing and composition skills in various short text forms, the course aims to train c r e a t e i v i t y, abstract thinking and peer-editing. |
