### Introduction

The course combines topics, functions, and grammar. You will learn the four skills of listening, speaking, reading, and writing, in addition to vocabulary and pronunciation.

### Outline

This course is a collection of 30 timely topics that students have expressed an interest in discussing. The topics are organized into five categories or themes, and each topic is carefully presented with exercises.

### Prerequisite

Students should be equipped with basic competence or take primary course and pass the school placement test to reach the intermediate level.
