Introduction
<p>1. To nurture students to be middle management professionals, who are able to communicate well and work in teams, and having high ethical sense and creative capability, which keenly hired by businesses.</p> <p>2. To strengthen management theory and research capability.</p> <p>3. To realize the theory and practice are equally important teaching concept.</p>

Outline
<p>English Communication focuses on studying of structure, usage, and vocabulary of English as a necessary introduction to effective communication (speaking and presentation). This course emphasizes on the development of paragraphs to communicate ideas in spoken English. Students are encouraged to exercise critical thinking and clear, correct language in their communication ability. In order to improve the necessary skills, each student will be required to read a lot of business related articles, do individual speech and group-dialogue presentations, and complete a final exam.</p>
