Introduction
<p>The goal of this course is to provide the basic knowledge and the training of written translation. The training is two-sided: Chinese to English and vice versa.</p> <p>This is a two-semester course, focusing on the practice of written translation. The second semester of this course will be text-oriented and the materials used in the course will be the whole texts. After completing the course, students will have the experiences of translating short stories, news and poems. Text types theory will be introduced in this semester, and students will have to hold the exhibitions of English and American cultures in the class after having done their researches.</p>
