Introduction

Journalistic English is designed to help students improve their vocabulary size and language skills for reading or listening to English language news. It will give the student intensive practice in the comprehension of authentic English news reports. Though the course will emphasize written sources (e.g., English-language newspapers and websites), it will also involve some listening. In addition, the course is aimed at increasing student awareness about current world events.

In the first semester class project, the students will work as a team to produce the English Department ' s newspaper.
