Introduction
<p>Grammar in Context is a one-semester course for freshman English majors. It tries to enable students to use English grammatically and to communicate authentically. It aims at fostering students' mastery of grammar by engaging them to interpret and produce grammar in meaningful contexts at the discourse level.</p>

Outline
<p>Nouns Pronouns Adverbs Adjectives Conjunctions Articles Prepositions Verbs Tense Passive Voice Mood Inverted Sentences The Use of It The correct Use of Words</p>

Prerequisite
