

## 97-2 大葉大學 完整版課綱 - 上課進度

| 上課進度 |                                       | 分配時數(%) |    |    |    |    |
|------|---------------------------------------|---------|----|----|----|----|
| 週次   | 教學內容                                  | 講授      | 示範 | 習作 | 實驗 | 其他 |
| 1    | Digital Computers and Information     | 66      |    | 34 |    |    |
| 2    | Digital Computers and Information     | 66      |    | 34 |    |    |
| 3    | Digital Computers and Information     | 66      |    | 34 |    |    |
| 4    | Combinational Logic Circuits          | 66      |    | 34 |    |    |
| 5    | Combinational Logic Circuits          | 66      |    | 34 |    |    |
| 6    | Combinational Logic Circuits          | 66      |    | 34 |    |    |
| 7    | Combinational Logic Circuits          | 66      |    | 34 |    |    |
| 8    | Combinational Logic Design            | 66      |    | 34 |    |    |
| 9    | Combinational Logic Design            | 66      |    | 34 |    |    |
| 10   | Combinational Logic Design            | 66      |    | 34 |    |    |
| 11   | Combinational Logic Design            | 66      |    | 34 |    |    |
| 12   | Sequential Circuits                   | 66      |    | 34 |    |    |
| 13   | Sequential Circuits                   | 66      |    | 34 |    |    |
| 14   | Sequential Circuits                   | 66      |    | 34 |    |    |
| 15   | Sequential Circuits                   | 66      |    | 34 |    |    |
| 16   | Registers and Counters                | 66      |    | 34 |    |    |
| 17   | Memory and Programmable Logic Devices | 66      |    | 34 |    |    |
