### 課程簡介

The topic of this course is the effective use of language. The basic purpose is to enhance the students' rhetorical sophistication and writing skills, particularly concerning argumentative writing, and to teach an understanding of practical reasoning and rhetorical situations: audience, incident, issue, and cultural context. The goal is to prepare the student not only for success in academic writing, but an understanding of how communication projects the intentions of individuals and groups. This goal is achieved by instruction in rhetorical principles and devices and practice in rhetorical analysis of various kinds of documents.
